Such policies and programs must also be administered in accordance with accepted scientific principles and must incorporate procedural safeguards to ensure fairness in application and protection of legitimate interests of privacy and confidentiality. To provide a drug-free workforce for the electrical construction industry, each I.B.E.W. local union and N.E.C.A. chapter shall implement an area-wide Substance Abuse Testing Policy. The policy shall include minimum standards as required by the I.B.E.W. and N.E.C.A. Should any of the required minimum standards fail to comply with federal, state, and/or local laws and regulations, they shall be modified by the local union and chapter to meet the requirements of those laws and regulations.

VOLUNTARY 401(K):

SECTION 4.10 – The Employer agrees to facilitate a deduction and administrative reporting to WEEBF on employees volunteering for participation in the 401K, provided the reporting and submission procedures coincide with those stated in Article IV, Section 4.01 of this Agreement.

ARTICLE V

STANDARD INSIDE APPRENTICESHIP AND TRAINING LANGUAGE

SECTION 5.01 - There shall be a local Joint Apprenticeship and Training Committee (JATC) consisting of a total of either 6 or 8 members who shall also serve as Trustees to the local apprenticeship and training trust. An equal number of members (either 3 or 4) shall be appointed, in writing, by the local Chapter of the National Electrical Contractors Association (N.E.C.A.) and the Local Union of the International Brotherhood of Electrical Workers (I.B.E.W.).

The local apprenticeship standards shall be in conformance with national guideline standards and industry policies to ensure that each apprentice has satisfactorily completed the NJATC required hours and course of study. All apprenticeship standards shall be registered with the NJATC before being submitted to the appropriate registration agency.

The JATC shall be responsible for the training of Apprentices, Journeymen, Installers, Technicians, and all others (Unindentured, Intermediate Journeymen, etc.)

SECTION 5.02 - All JATC member appointments, re-appointments and acceptance of appointments shall be in writing. Each member shall be appointed for a 3-year term, unless being appointed for a lesser period of time to complete an unexpired term. The terms shall be staggered, with one (1) term from each side expiring each year. JATC members shall complete their appointed term unless removed for cause by the party they represent, or they voluntarily resign. All vacancies shall be filled immediately.

The JATC shall select from its membership, but not both from the same party, a Chairman and a Secretary who shall retain voting privileges. The JATC will maintain one (1) set of minutes for JATC committee meetings and a separate set of minutes for trust meetings.

June 1, 2022 – May 31, 2025

The JATC should meet on a monthly basis, and also upon the call of the Chairman.

SECTION 5.03 - Any issue concerning an Apprentice, or an apprenticeship matter shall be referred to the JATC for its review, evaluation, and resolve; as per standards and policies. If the JATC deadlocks on any issue, the matter shall be referred to the Labor-Management Committee for resolution as outlined in Article I of this Agreement; except for trust fund matters, which shall be resolved as stipulated in the local trust instrument.

SECTION 5.04 - There shall be only one (1) JATC and one (1) local apprenticeship and training trust. The JATC may, however, establish joint subcommittees to meet specific needs, such as residential or telecommunication apprenticeship. The JATC may also establish a subcommittee to oversee an apprenticeship program within a specified area of the jurisdiction covered by this Agreement.

All subcommittee members shall be appointed, in writing, by the party they represent. A subcommittee member may or may not be a member of the JATC.

SECTION 5.05 - The JATC may select and employ a part-time or a full-time Training Director and other support staff, as it deems necessary. In considering the qualification, duties, and responsibilities of the Training Director, the JATC should review the Training Director's job description provided by the NJATC. All employees of the JATC shall serve at the pleasure and discretion of the JATC.

SECTION 5.06 - To help ensure diversity of training, provide reasonable continuous employment opportunities, and comply with apprenticeship rules and regulations, the JATC, as the program sponsor, shall have full authority for issuing all job training assignments and for transferring Apprentices from one Employer to another. The Employer shall cooperate in providing Apprentices with needed work experiences. The Local Union referral office shall be notified, in writing, of all job training assignments. If the Employer is unable to provide reasonable continuous employment for Apprentices, the JATC is to be so notified.

SECTION 5.07 - All Apprentices shall enter the program through the JATC as provided for in the registered apprenticeship standards and selection procedures.

An Apprentice may have their indenture canceled by the JATC at any time prior to completion as stipulated in the registered standards. Time worked and accumulated in apprenticeship shall not be considered for Local Union referral purposes until the Apprentice has satisfied all conditions of apprenticeship. Individuals terminated from apprenticeship shall not be assigned to any job in any classification, or participate in any related training, unless they are reinstated in apprenticeship as per the standards, or they qualify through means other than apprenticeship, at some time in the future, but no sooner than two years after their class has completed apprenticeship, and they have gained related knowledge and job skills to warrant such classification.

SECTION 5.08 - The JATC shall select and indenture a sufficient number of Apprentices to meet local manpower needs. The JATC is authorized to indenture the number of Apprentices necessary to meet the

job site ratio as per Section 5.12.

SECTION 5.09 - Though the JATC cannot guarantee any number of Apprentices, if a qualified Employer requests an Apprentice, the JATC shall make every effort to honor the request. If unable to fill the request within ten (10) working days, the JATC shall select and indenture the next available person from the active list of qualified applicants. An active list of qualified applicants shall be maintained by the JATC as per the selection procedures.

SECTION 5.10 - To accommodate short-term needs when Apprentices are unavailable, the JATC shall assign Unindentured Workers who meet the basic qualification for apprenticeship. Unindentured Workers shall not remain employed if Apprentices become available for OJT assignment. Unindentured Workers shall be used to meet job site ratios except on wage and hour (prevailing wage) job sites.

Before being employed, the unindentured person must sign a letter of understanding with the JATC and the Employer - agreeing that they are not to accumulate more than two thousand (2,000) hours as an unindentured, that they are subject to replacement by Indentured Apprentices and that they are not to work on wage and hour (prevailing wage) job sites.

Should an Unindentured Worker be selected for apprenticeship, the JATC will determine, as provided for in the apprenticeship standards, if some credit for hours worked as an unindentured will be applied toward the minimum OJT hours of apprenticeship.

The JATC may elect to offer voluntary related training to Unindentured; such as Math Review, English, Safety, Orientation/Awareness, Introduction to OSHA, First-Aid and CPR. Participation shall be voluntary.

SECTION 5.11 - The Employer shall contribute to the local health and welfare plans and to the National Electrical Benefit Fund (NEBF) on behalf of all Apprentices and Unindentured. Contributions to other benefit plans may be addressed in other sections of this Agreement.

SECTION 5.12 - Each job site shall be allowed a ratio of three (3) Apprentices to one (1) Journeyman Wireman as specified below. Fifth (5th) year Apprentices are ratio neutral. The parties to this Agreement may increase these ratios by mutual consent on a case by case basis.

NOTE: When Construction Electricians and Apprentices are utilized, please refer to the Construction Electrician Addendum for ratios.

The first person assigned to any job site shall be a Journeyman Wireman.

A job site is considered to be the physical location where employees report for their work assignments. The Employer's shop (service center) is considered to be a separate, single job site. All other physical locations where workers report for work are each considered to be a single, separate job site.

SECTION 5.13 - An Apprentice is to be under the supervision of a Journeyman Wireman at all times. This does not imply that the Apprentice must always be in sight of a Journeyman Wireman. Journeymen are not required to constantly watch the Apprentice. Supervision will not be of a nature that prevents the development of responsibility and initiative. Work may be laid out by the Employer's designated Supervisor or Journeyman based on their evaluation of the Apprentice's skills and ability to perform the job tasks. Apprentices shall be permitted to perform job tasks in order to develop job skills and trade competencies. Journeymen are permitted to leave the immediate work area without being accompanied by the Apprentice.

Apprentices who have satisfactorily completed the first four years of related classroom training using the NJATC curriculum and accumulated a minimum of 6,500 hours of OJT with satisfactory performance, shall be permitted to work alone on any job site and receive work assignments in the same manner as a Journeyman Wireman.

An Apprentice shall not be the first person assigned to a job site and Apprentices shall not supervise the work of others.

SECTION 5.14 - Upon satisfactory completion of apprenticeship, the JATC shall issue all graduating Apprentices an appropriate diploma from the NJATC. The JATC shall encourage each graduating apprentice to apply for college credit through the NJATC. The JATC may also require each Apprentice to acquire any electrical license required for Journeymen to work in the jurisdiction covered by this Agreement.

SECTION 5.15 - The parties to this Agreement shall be bound by the local Joint Apprenticeship Training Trust Fund Agreement which shall conform to Section 3.02 of the Labor-Management Relations Act of 1947 as amended, ERISA, and other applicable regulations.

The Trustees authorized under this Trust Agreement are hereby empowered to determine the reasonable value of any facilities, materials, or services furnished by either party. All funds shall be handled and disbursed in accordance with the Trust Agreement.

SECTION 5.16 - All Employers subject to the terms of this Agreement shall contribute the amount of funds specified by the parties signatory to the local Apprenticeship and Training Trust Agreement. The current rate of contribution is .95% percent of the gross monthly payroll. This sum shall be due the trust fund by the same date as is their payment to the NEBF under the terms of the Restated Employees Benefit

SECTION 6.01 - It is agreed that in accord with the Employees Benefit Agreement of the National Electrical Benefit Fund ("NEBF"), as entered into between the National Electrical Contractors Association and the International Brotherhood of Electrical Workers on September 3, 1946, as amended, and now delineated as the Restated Employees Benefit Agreement and Trust, that unless authorized otherwise by the NEBF, the individual Employer will forward monthly to the NEBF's designated local collection agent an amount equal to 3% of the gross monthly labor payroll paid to, or accrued by, the employees in this bargaining unit, and a completed payroll report prescribed by the NEBF. The payment shall be made by check or draft and shall constitute a debt due and owing to the NEBF on the last day of each calendar month, which may be recovered by suit initiated by the NEBF or its assignee. The payment and the payroll report shall be mailed to reach the office of the appropriate local collection agent not later than fifteen (15) calendar days following the end of each calendar month.

The individual Employer hereby accepts, and agrees to be bound by, the Restated Employees Benefit Agreement and Trust.

An individual Employer who fails to remit as provided above shall be additionally subject to having his agreement terminated upon seventy-two (72) hours' notice in writing being served by the Union, provided the individual Employer fails to show satisfactory proof that the required payments have been paid to the appropriate local collection agent.

The failure of an individual Employer to comply with the applicable provisions of the Restated Employees Benefit Agreement and Trust shall also constitute a breach of this Labor Agreement.
